Description

Citrus Multi Clean is a multi-functional, all purpose, and environmentally responsible citrus based cleaner for hard surfaces.

It's unique blend of wetting and emulsifying agents penetrate and suspend the toughest soils. Suitable for all types of spray wipe and mop and bucket applications.

Directions for Use

For spray and wipe applications:

Dilute 1 part to 9 parts water. Spray diluted solution onto surface and wipe off using damp cloth.

As a floor Cleaner:

Dilute 1 part to 40 parts water in a bucket.

Use clean mop and place solution onto floor for removal of majority of soils.

Reactivity:

Mildly Alkaline formulation. Safe on all hard surfaces. Will not harm metals. Use caution when using on painted surfaces. **DO NOT USE ON SUEDE OR LEATHER**

Safety Information

Citrus Multi Clean is NOT classified as hazardous according to GHS criteria.

Please refer to the Safety Data Sheet (SDS) for full First Aid procedures before using this product.
