

# Safety Data Sheet

Infosafe No™ VAR32                      Issue Date : March 2016                      ISSUED by SUSTAINA

Product Name **ACTIVATE HAND SOAP WHITE**

Not classified as hazardous

## 1. Identification

**GHS Product Identifier**                      ACTIVATE HAND SOAP WHITE  
**Company Name**                              Sustainable Cleaning Solutions Pty Ltd  
**Address**                                        6 Lakewood Boulevard Braeside  
   VIC 3195 Australia  
**Telephone/Fax Number**                      Tel: (03) 9580 2499  
   Fax: (03) 9580 2488  
**Emergency phone number**                      0417 807 780  
**Recommended use of the chemical and restrictions on use**                      A lotionised bathroom soap for hands and face

## 2. Hazard Identification

**GHS classification of the substance/mixture**                      Not classified as Hazardous  
   Not classified as a Dangerous Good  
**Signal Word (s)**                                NONE  
**Hazard Statement (s)**                              None  
**Precautionary statement – General**                      P102 Keep out of reach of children.  
**Pictogram (s)**                                      P104 Read Safety Data Sheet before use.  
   None  
**Precautionary statement – Storage**                      P404 Store in a closed container.  
**Precautionary statement – Disposal**                      P501 Dispose of contents/container: Recycle packaging by replacing cap and returning clean containers to recycler or designated collection point.

## 3. Composition/information on ingredients

| Ingredients | Name                                       | CAS       | Proportion |
|-------------|--|-----------|------------|
|             | Water                                      | 7732-18-5 | 60-100 %   |
|             | Non hazardous surfactants                  | Mixture   | 10-30 %    |
|             | Ingredients determined not to be hazardous |           | 0-10 %     |

## 4. First-aid measures

**Inhalation**                                        Remove from exposure.  
**Ingestion**                                        Do NOT induce vomiting. Give a glass of water to be taken slowly.  
**Skin**    Non hazardous.  
**Eye contact**                                      If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor.  
**First Aid Facilities**                              Eye wash station and normal washroom facilities.  
**Advice to Doctor**                                Product is a solution of surface active agents and emollients in aqueous solution. Treat symptomatically. Contact Poisons Information Centre.

## 5. Fire-fighting measures

**Suitable extinguishing media**                      Use extinguishing media appropriate to surrounding fire.  
**Hazards from Combustion Products**                      No known hazardous decomposition products.

# Safety Data Sheet

infosafe  
CS: 1.11.6

Page: 2 of 3

Infosafe No™ VAR32      Issue Date : March 2016      ISSUED by SUSTAINA

Product Name **ACTIVATE HAND SOAP WHITE**

Not classified as hazardous

**Specific Methods**      In case of small fire/explosion use water. In case of major emergency use PPE: breathing apparatus and protective gloves.

**Specific hazards arising from the chemical**      Not a fire hazard. Not an explosion hazard.

## 6. Accidental release measures

**Spills & Disposal**      Disposal of small spillages only. For large spillages liquids should be contained using sand or earth, and both liquids and solids then transferred to salvage containers. Residues should be treated as for small spillages. CAUTION: Before dealing with spillage take necessary protective measures, inform others to keep at a safe distance and, for flammable materials, shut off all possible sources of ignition. CARE! Spillages will be very slippery. Mop up with plenty of water and run to waste, diluting greatly with running water.

## 7. Handling and storage

**Conditions for safe storage, including any incompatibilities**      Store out of reach of children. Store in original container. Keep away from oxidising agents. Protect from physical damage. Clean up all spills and splashes promptly; avoid secondary accidents.

## 8. Exposure controls/personal protection

**Other Exposure Information**      TLV-TWA: None assigned by Worksafe Australia  
TLV-STEL: None assigned by Worksafe Australia

**Appropriate engineering controls**      None required.

**Personal Protective Equipment**      Avoid contact with the eyes. Personal protection to be selected from those recommended below, as appropriate to mode of use, quantity handled and degree of hazard:-  
Face shield or safety glasses  
Gloves, rubber or plastic  
For normal use as a hand cleaner, no protective equipment is required.

## 9. Physical and chemical properties

**Form**      Liquid  
**Appearance**      Opaque white viscous liquid  
**Odour**      Rose  
**Boiling Point**      100C  
**Solubility in Water**      Miscible with water in all proportions.  
**Specific Gravity**      1.0  
**pH**      6.5 - 7.5  
**Flash Point**      None  
**Flammability**      Not flammable.

## 10. Stability and reactivity

**Chemical Stability**      Stable under normal use conditons.

## 11. Toxicological Information

**Acute Toxicity - Oral**      LD 50 :    Surfactants      > 500 mg/kg oral, rat

**Ingestion**      May cause discomfort.

**Inhalation**      An unlikely route owing to the non-volatile nature of the ingredients. Low hazard.

# Safety Data Sheet

infosafe  
CS: 1.11.6

Page: 3 of 3

Infosafe No™ VAR32                      Issue Date : March 2016                      ISSUED by SUSTAINA

Product Name **ACTIVATE HAND SOAP WHITE**

Not classified as hazardous

**Skin**                      Safe on hands. Will have a mild degreasing effect on the skin.  
**Eye**                      Low irritant.  
**Chronic Effects**                      No data. Not likely to cause any adverse chronic health effects.

## 12. Ecological information

**Persistence and degradability**                      Readily biodegradable.  
**Environmental Protection**                      Avoid contaminating waterways, drains, sewers, or ground.

## 13. Disposal considerations

**Waste Disposal**                      Land fill, incineration, sewer (small quantities). Refer to Land Waste Management Authority in your State.

## 14. Transport information

**Transport Information**                      Non regulated

## 15. Regulatory information

**Poisons Schedule**                      Not Scheduled

## 16. Other Information

**Signature of Preparer/Data Service**                      Technical Manager 03 9580 2499

**Technical Contact Numbers**                      Emergency Advice All Hours:  
General Manager Tel: 0417 807 780 Mon-Fri 8am - 6pm  
Poisons Information Centre: 13 11 26 - 24hrs

**Other Information**                      This SDS summarises at the date of issue our best knowledge of the health and safety hazard information of the product, and in particular how to safely handle and use the product in the Workplace. Please refer to the technical datasheet (Instructions for use), and the label on the drum. The company cannot anticipate or control the individual working conditions encountered and so each user should read this SDS carefully, and if in doubt ring the Contact Point Number given below.
