### **Description**

Detergent Concentrate is designed for use in hand dishwashing and food preparation areas. This highly concentrated and non perfumed detergent is non hazardous and rapidly biodegrades. It is formulated with proven European technology.

### **Directions For Use**

For manual washing use at the rate of 2-5mls per litre of hot water depending upon the degree of soiling.

### **Safety Information**

Although Detergent Concentrate is classified non hazardous, contact of the concentrate with the skin and eyes should be avoided.

If poisoning occurs contact a doctor or Poisons Information Centre, Australia on 13 11 26. If in eyes, hold eyes open and flood with plenty of clean water - seek medical advice if necessary. If swallowed do not induce vomiting, give water to drink and seek medical attention. If skin contact occurs wash area thoroughly with clean water.

**Packaging - 5lt, 15lt.**
