Description

Fabric Softener is a final rinse additive to enhance the finish of woollens, cottons, towels, bed linen and other washable items.

Directions For Use

Add 40-50ml to final rinse whether automatic machine (top or front loading) or hand washing.

Fabric Softener should not be used when water is discoloured. Do not use starch, bleach or other laundry products in the same rinse.

Safety Information

Although Fabric Softener is classified non hazardous, contact of the concentrate with the skin and eyes should be avoided.

If poisoning occurs contact a doctor or Poisons Information Centre, Australia on 13 11 26. If in eyes, hold open and flood with plenty of clean water – seek medical advice if necessary. If swallowed do not induce vomiting, give water to drink and seek medical attention. If skin contact occurs wash area thoroughly with clean water.

Packaging - 5lt
