Description

Toilet Oda Tabs are small compressed Tabs, perfumed from pure paradichlorobenzene. Toilet Oda Tabs are long lasting and provide a level of disinfecting and insecticidal property. These tabs generally come in blue or yellow.

Directions For Use

For room deodorising: Place 1 or more tabs in a container in a high place and allow time for perfume to enter air space.

For Urinal: Place 1 (or as many as desired) in urinal to re odourise area.

Safety Information

Toilet Oda Tabs are classified as a harmful substance. Avoid contact with the product at all times. Ensure when using the Toilet Oda Tabs the user wears the personal protective equipment stated on the material safety data sheet. Avoid contact with the product at all times.

The following first aid procedures apply. If poisoning occurs, contact a doctor or Poisons Information Centre Australia on 13 11 26. If in the eyes, hold eyes open and flood with water for a minimum of 15 minutes and seek medical advice urgently. If skin contact occurs, remove all contaminated clothing and wash skin thoroughly. If swallowed, and if more than 15 minutes from hospital, induce vomiting preferably using Ipecac Syrup (APF). Avoid milk or oils. Give water to drink and seek medical advice.
